

Team Leader ASOS Goods In - Bradford

An exciting new opportunity has arisen at Advanced Supply Chain for the position of ASOS Team Leader to join our Operations team at our Bradford site.

We are a forward thinking and dynamic logistics business with an enviable reputation for growth, customer service and innovation.

We operate from 6 UK locations and supply our customers with end-to-end supply chain solutions including freight forwarding, contract logistics, value added services and UK distribution.

The main purpose of this role is to proactively lead a team of Warehouse Processing staff.

Key Tasks and Accountabilities:

- Lead the team effectively, with emphasis and appropriate management of performance to target
- Effectively plan and lead the workload of the processing team, ensuring work is delegated efficiently
- Ensure processes are adhered to and promoting accuracy within the department
- Oversee and support the training and development of the processing team
- Take responsibility for staff performance, with support from the Supervisor
- Effective use of MHE (FLT's, etc) and ensuring these are used safely and appropriately
- Ensure good housekeeping and health & safety is adhered to at all times
- Report and encourage the immediate reporting of any health & safety hazards within the warehouse
- Other tasks relevant to the role as required

The successful candidate must have the following skills, experience and attributes:

- Good communication skills – both verbal and written
- Able to communicate with all staff at all levels in a professional, respectful manner
- Organised and accurate, whilst working in a fast-paced environment
- Flexibility with regards to shifts (able to do 6am-2pm or 2pm-10pm which may change weekly)
- Ability to make decisions and use your own initiative
- Good working knowledge of warehouse processes – ideally a minimum of 2 years' warehouse experience

To apply for this position please send your cover letter and CV by email to:
